

EDUCATION

Degree	Specialization	Institute	Year	CGPA
B.Tech	Computer Science & Engineering	Anurag University	2022-Present	9.23
HSC	Physics, Chemistry, & Mathematics	Narayana College	2019	9.62
SSC	-	Queens High School	2020	10.0

WORK EXPERIENCE

- **Full Stack Intern** [Edu Saathi] Oct 2023 - Dec 2024
 - Developed the Student and Admin Portals for Edusaathi, handling both frontend and backend development using **React.js**, **Node.js**, **Express.js**, and **PostgreSQL**, ensuring an intuitive UI and efficient data management.
 - Built secure and high-performance APIs, integrating **JWT authentication**, **role-based access control**, and **optimized database queries** to enhance security, scalability, and response times.
 - Collaborated in a team, managing version control with **Git**, streamlining code integration, feature development, and bug fixes to ensure smooth project execution.

PROJECTS

- **Tour Expense Tracking Website** May-June 2023
 - Created a comprehensive website to track tour expenses among friends, ensuring accurate record-keeping.
 - Developed features for users to enter, update, delete, and edit payment details, providing flexibility and accuracy in managing expenses. Integrated tour details like costs and other relevant information, offering valuable insights for users.
 - Built authentication features, including login and logout functionalities, to ensure secure access.
- **Campus Connect** March-Present 2025
 - Currently building a mobile platform **Campus Connect** using **React Native**, connecting college students with alumni for mentorship, referrals, and career guidance.
 - Developing core features including college-based alumni search, connection requests, personalized feeds, real-time chat, notifications, and verified alumni badges to boost trust.
 - Planning advanced modules like referral requests, resume reviews, company-wise alumni explorer, and a **B2B dashboard for colleges** to monitor alumni-student interactions.

CODING PROFILES

- [LeetCode](#)
- [Geeks For Geeks](#)

POSITIONS OF RESPONSIBILITY

- **Cricket Coordinator** Sept-Oct 2023
- Organized Cricket under college, the intra-college sports festival of Anurag University, witnessing an overall volleyball of 100+ participants from students as well as staff members of the institute
- Led a team of four responsible for looking after scheduling of matches between 20+ registered teams, addressing logistical concerns, crowd management, and seamless execution of the event

EXTRA-CURRICULAR ACHIEVEMENTS/ACTIVITIES

- Secured first position in Gully Cricket and volleyball games out of 10+ teams .

- Secured a competitive rank of **15,375 in EAMCET 2022 out of 150,000+ candidates**, showcasing strong academic performance and commitment to engineering studies.

TECHNICAL SKILLS

- **Languages:** Java, Python, C, React.js ,Node.js, Express.js, MySQL, PostgreSQL,Mongodb,React Native
- **Tools:** Jupiter Notebook, LaTeX, VS Code, GitHub, Postman

CERTIFICATES

- Web Development Certification – Udemy
